

FortiCool™ A | FortiCool D-scaler™

PREVENTION IS PROTECTION

FortiCool A (EPA Reg. No. 59682-1-63761) prevents buildup of algae, fungi and odor-causing bacteria. FortiCool D-scaler removes and prevents additional buildup of mineral scale.

WHY CHOOSE FORTICOOL PRODUCTS

- Dirty evaporative coolers create the perfect breeding ground for mold, fungi and algae growth
- Improve cooling efficiency and pad life
- Simple application
- Will not damage cell pads
- For optimal performance, replace every 30 days

Unique polymer technology for cool cell protection:

- FortiCool A: designed to slowly release algae-fighting ingredients
- FortiCool D-scaler: designed to slowly release scale-fighting ingredients

**SPECIFICALLY DESIGNED TO
REDUCE LABOR AND PROVIDE
COOL CELL PROTECTION.**

Save time and optimize the efficiency of your cool cells.
